**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND  
DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND  
LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

The above-captioned debtors and debtors in possession (collectively, the “Debtors”) have filed their respective Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements”) in the United States Bankruptcy Court for the Southern District of New York (the “Court”). The Debtors, with the assistance of their legal and financial advisors, prepared the Schedules and Statements in accordance with section 521 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), and Rule 1007 of the Federal Rules of Bankruptcy Procedure.

Marc Pfefferle has signed each set of Schedules and Statements. Mr. Pfefferle serves as Chief Executive Officer of Debtor Hollander Sleep Products, LLC and is an authorized signatory for each of the Debtors in these chapter 11 cases. In reviewing and signing the Schedules and Statements, Mr. Pfefferle has necessarily relied upon the efforts, statements, advice, and representations of personnel of the Debtors and their legal and financial advisors. In light of the

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: Dream II Holdings, LLC (7915); Hollander Home Fashions Holdings, LLC (2063); Hollander Sleep Products, LLC (2143); Pacific Coast Feather, LLC (1445); Hollander Sleep Products Kentucky, LLC (4119); Pacific Coast Feather Cushion, LLC (3119); and Hollander Sleep Products Canada Limited (3477). The location of the Debtors’ service address is: 901 Yamato Road, Suite 250, Boca Raton, Florida 33431.

size and complexity of the Debtors' business, Mr. Pfefferle has not (and could not have) personally verified the accuracy of each such statement and representation, including, but not limited to, statements and representations concerning amounts owed to creditors.

In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of such preparation. Although the Debtors have made every reasonable effort to ensure the accuracy and completeness of the Schedules and Statements, subsequent information or discovery may result in material changes to the Schedules and Statements. As a result, inadvertent errors or omissions may exist. Accordingly, the Debtors and their agents, attorneys, and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained in the Schedules and Statements.

For the avoidance of doubt, the Debtors reserve their rights to amend and supplement the Schedules and Statements as may be necessary or appropriate but expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided in the Schedules and Statements or to notify any third party should the information be updated, modified, revised, or re-categorized, except as required by applicable law or order of the Court.

In no event shall the Debtors or their directors, officers, agents, attorneys, and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their directors, officers, agents, attorneys, or financial advisors are advised of the possibility of such damages.

### **Global Notes and Overview of Methodology**

1. **Description of Cases.** On May 19, 2019 (the "Petition Date"), each of the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. These cases are being jointly administered. Notwithstanding the joint administration of the Debtors' cases for procedural purposes, each Debtor has filed its own Schedules and Statements. The information provided herein, except as otherwise noted, is reported as of the close of business on the Petition Date.
2. **Global Notes Control.** These Global Notes pertain to and comprise an integral part of each of the Schedules and Statements and should be referenced in connection with any review thereof. In the event that the Schedules and Statements conflict with these Global Notes, these Global Notes shall control.
3. **Reservations and Limitations.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and supplement the

Schedules and Statements as may be necessary or appropriate. Nothing contained in the Schedules and Statements constitutes a waiver of any of the Debtors' rights or an admission of any kind with respect to these chapter 11 cases, including, but not limited to, any rights or claims of the Debtors against any third party or issues involving substantive consolidation, equitable subordination, or defenses or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

- (a) **No Admission.** Nothing contained in the Schedules and Statements is intended or should be construed as (i) an admission or stipulation of the validity of any claim against the Debtors or any assertion made therein or herein or (ii) a waiver of the Debtors' rights to dispute any claim or assert any cause of action or defense against any party.
- (b) **Recharacterization and Classifications.** Notwithstanding that the Debtors have made reasonable efforts to correctly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors nonetheless may have improperly characterized, classified, categorized, or designated certain items. The Debtors reserve all rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as is necessary and appropriate.

For the avoidance of doubt, listing (i) a claim on Schedule D as "secured," (ii) a claim on Schedule E/F as "priority" or "unsecured," or (iii) a contract on Schedule G as "executory" or "unexpired" does not constitute an admission by the Debtors of the legal rights of the claimant or contract counterparty or a waiver of the Debtors' rights to recharacterize or reclassify such claim or contract.

- (c) **Claims Description.** Any failure to designate a claim on the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that such amount is not "disputed," "contingent," or "unliquidated." Each Debtor reserves all rights to dispute, or assert offsets or defenses to, any claim reflected on its respective Schedules and Statements on any grounds, including, without limitation, liability or classification, or to otherwise subsequently designate such claims as "disputed," "contingent," or "unliquidated" or object to the extent, validity, enforceability, priority, or avoidability of any claim. Moreover, listing a claim does not constitute an admission of liability by the Debtors against which the claim is listed or by any of the Debtors. The Debtors reserve all rights to amend their Schedules and Statements as necessary and appropriate, including, but not limited to, with respect to claim description and designation.
- (d) **Estimates and Assumptions.** The preparation of the Schedules and Statements required the Debtors to make reasonable estimates and assumptions with respect to

the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities on the date of the Schedules and Statements, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ from such estimates.

- (e) **Causes of Action.** Despite reasonable efforts, the Debtors may not have identified all current and potential causes of action the Debtors may have against third parties in their respective Schedules and Statements, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws to recover assets. The Debtors reserve all rights with respect to any causes of action, and nothing in these Global Notes or the Schedules and Statements should be construed as a waiver of any such causes of action.
- (f) **Intellectual Property Rights.** Exclusion of certain intellectual property should not be construed as an admission that such intellectual property rights have been abandoned, have been terminated or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property rights should not be construed as an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction.
- (g) **Insiders.** In the circumstance where the Schedules and Statements require information regarding “insiders,” the Debtors have included information with respect to certain individuals who the Debtors believe may be included in the definition of “insider” set forth in section 101(31) of the Bankruptcy Code during the relevant time periods. Such individuals may no longer serve in such capacities. In the interest of additional disclosure, the Debtors have also included certain individuals who may have officer titles in their responses to Statements, Part 13, Question 28.

The listing of a party as an insider for purposes of the Schedules and Statements is not intended to be, nor should it be, construed as an admission of any fact, right, claim, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Information regarding the individuals listed as insiders in the Schedules and Statements has been included for informational purposes only and such information may not be used for (1) the purposes of determining (i) control of the Debtors, (ii) the extent to which any individual exercised management responsibilities or functions or corporate decision-making authority over the Debtors, or (iii) whether such individual could successfully argue that he or she is not an insider under applicable law, including the Bankruptcy Code and federal securities laws, or with respect to any theories of liability or (2) any other purpose.

4. **Methodology.**

- (a) **Basis of Presentation.** The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled to the financial statements of each Debtor. The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment. The Schedules and Statements reflect the Debtors’ reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis.
- (b) **Confidential Information.** There may be instances in the Schedules and Statements where the Debtors deemed it necessary and appropriate to redact from the public record information such as names, addresses, or amounts. Typically, the Debtors have used this approach because of a confidentiality agreement between the Debtors and a third party, for the protection of sensitive commercial information, or for the privacy of an individual.
- (c) **Umbrella or Master Agreements.** Contracts and leases listed in the Schedules and Statements may be umbrella or master agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Schedules and Statements only of the Debtor entity that signed the original umbrella or master agreement. Other Debtors, however, may be liable together with such Debtor on account of such agreements and the Debtors reserve all rights to amend the Schedules and Statements to reflect changes regarding the liability of the Debtors with respect to such agreements, if appropriate.
- (d) **Executory Contracts.** Although the Debtors have made diligent attempts to attribute an executory contract to its rightful Debtor, in certain instances, the Debtors may have inadvertently failed to do so due to the complexity and size of the Debtors’ business. Accordingly, the Debtors reserve all of their rights with respect to the named parties of any and all executory contracts, including the right to amend Schedule G.

The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtors’ use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all final exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any executed agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon.

- (e) **Duplication.** Certain of the Debtors' assets, liabilities, and prepetition payments may properly be disclosed in multiple parts of the Statements and Schedules. To the extent these disclosures would be duplicative, the Debtors have determined to only list such assets, liabilities, and prepetition payments once.
- (f) **Net Book Value.** In certain instances, current market valuations for individual items of property and other assets are neither maintained by nor readily available to the Debtors. Accordingly, unless otherwise indicated, the Schedules and Statements reflect net book values as of May 19, 2019. Market values may vary, at some times materially, from net book values. The Debtors believe that it would be an inefficient use of estate assets for the Debtors to obtain the current market values of their property and other assets. Accordingly, the Debtors have indicated in the Schedules and Statements that the market values of certain assets and liabilities are undetermined. Assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements or are listed with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtors with respect to such asset.
- (g) **Undetermined Amounts.** The description of an amount as "undetermined" is not intended to reflect upon the materiality of such amount.
- (h) **Unliquidated Amounts.** Amounts that could not be fairly quantified by the Debtors are scheduled as "unliquidated."
- (i) **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different from the listed total.
- (j) **Property and Equipment.** The Debtors may lease furniture, fixtures, and equipment from certain third-party lessors. Any such leases are listed in the Schedules and Statements. Nothing in the Schedules and Statements is, or should be construed as, an admission as to the determination of the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect thereto.
- (k) **Allocation of Liabilities.** The Debtors allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change.
- (l) **Paid Claims.** The Debtors have authority to pay certain outstanding prepetition payables pursuant to Court orders, including the *Interim Order (I) Authorizing the Debtors to Pay Prepetition Claims of (A) Lien Claimants, (B) Import Claimant,*

*(C) 503(B)(9) Claimants, (D) Foreign Vendors, and (E) Critical Vendors, (II) Confirming Administrative Expense Priority of Outstanding Orders, and (III) Granting Related Relief* [Docket No. 49]. As such, outstanding liabilities may have been reduced by any court-approved postpetition payments made on account of prepetition payables. Where and to the extent these liabilities have been satisfied as of the date hereof, they are not listed in the Schedules and Statements. In some instances, the Debtors have the authority to pay a prepetition liability but that amount remains unpaid or is partially paid as of the filing of the Schedules. In such cases, these amounts are marked as “contingent.” To the extent the Debtors later pay any amount of the claims listed in the Schedules and Statements pursuant to any orders entered by the Court, the Debtors reserve all rights to amend or supplement the Schedules and Statements or to take other action, such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payments for liabilities. Nothing contained herein should be deemed to alter the rights of any party in interest to contest a payment made pursuant to an order of the Court where such order preserves the right to contest.

- (m) **Credits and Adjustments.** The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtors’ books and records and may either (a) not reflect credits or other adjustments due from such creditors to the Debtors or (b) be net of accrued credits or other adjustments that are actually owed by a creditor to the Debtors on a postpetition basis on account of such credits or other adjustments earned from prepetition payments and critical vendor payments, if applicable. The Debtors reserve all of their rights with regard to such credits or other adjustments, including, but not limited to, the right to modify the Schedules, assert claims objections and/or setoffs with respect to the same, or apply such adjustments in the ordinary course of business on a postpetition basis.
- (n) **Intercompany Claims.** Receivables and payables among the Debtors are reported on Schedule A/B and Schedule E/F, respectively. The listing of any amounts with respect to such receivables and payables is not, and should not be construed as, an admission of the characterization of such balances as debt, equity, or otherwise. For the avoidance of doubt, the Debtors reserve all rights, claims, and defenses in connection with any and all intercompany receivables and payables, including with respect to the characterization of intercompany claims, loans, and notes.
- (o) **Guarantees and Other Secondary Liability Claims.** The Debtors have exercised reasonable efforts to locate and identify guarantees of their executory contracts, unexpired leases, secured financings, and other such agreements. Where guarantees have been identified, they have been included in the relevant Schedules G and H for the affected Debtor. The Debtors may have inadvertently omitted guarantees embedded in their contractual agreements and may identify additional guarantees as they continue to review their books, records, and contractual agreements. The Debtors reserve their rights, but are not required, to amend the Schedules and Statements if additional guarantees are identified.

- (p) **Excluded Assets and Liabilities.** The Debtors have potentially excluded the following categories of assets and liabilities from the Schedules and Statements: certain deferred charges, accounts, or reserves recorded only for purposes of complying with the requirements of GAAP; deferred tax assets and liabilities; certain intangibles; deferred revenue accounts; and certain accrued liabilities. Other immaterial assets and liabilities may also have been excluded.
- (q) **Liens.** The inventories, property, and equipment listed in the Schedules and Statements are presented without consideration of any liens.
- (r) **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars. To the extent any amounts had to be converted to U. S. dollars, the conversion rate used was as of May 19, 2019.
- (s) **Controlling Shareholders.** For purposes of the Schedules and Statements, the Debtors define “controlling shareholders” to include entities that directly hold in excess of 20% of the voting shares of the applicable Debtor entity. Entities listed as “controlling shareholders” have been included for informational purposes only. The Debtors do not take any position with respect to such entity’s influence over the control of the Debtors or whether such entity could successfully argue that it is not a “controlling shareholder” under applicable law, including the federal securities laws, or with respect to any theories of liability or for any other purpose.
- (t) **Setoffs.** The Debtors routinely incur setoffs and net payments in the ordinary course of business. Such setoffs and nettings may occur due to a variety of transactions or disputes including, but not limited to, intercompany transactions, counterparty settlements, pricing discrepancies, credits, rebates, returns, refunds, and negotiations and/or disputes between the Debtors and their customers and/or suppliers. These normal, ordinary course setoffs and nettings are common to the industry. Due to the voluminous nature of setoffs and nettings, it would be unduly burdensome and costly for the Debtors to list each such transaction. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for and, as such, are or may be excluded from the Schedules and Statements. In addition, some amounts listed in the Schedules and Statements may have been affected by setoffs or nettings by third parties of which the Debtors are not yet aware and/or of which the Debtors have approved to effectuate in the claims process of their chapter 11 cases. The Debtors reserve all rights to challenge any setoff and/or recoupment rights that may be asserted.

5. **Specific Schedules Disclosures.**

- (a) **Schedule A/B, Parts 1 and 2 – Cash and Cash Equivalents; Deposits and Prepayments.** Details with respect to the Debtors’ cash management system and bank accounts are provided in the *Debtors’ Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Continue to Operate Their Cash Management System, (B) Honor Certain Prepetition Obligations Related Thereto,*

(C) *Maintain Existing Business Forms, and (D) Continue to Perform Intercompany Transactions, and (II) Granting Related Relief* [Docket No. 4] (the “Cash Management Motion”) and the interim order of the Court granting the Cash Management Motion [Docket No. 47].

The Debtors’ cash balances are as of May 19, 2019.

- (b) **Schedule A/B, Part 4 – Investments; Non-Publicly Traded Stock and Interests in Incorporated and Unincorporated Businesses, including any Interest in an LLC, Partnership, or Joint Venture.** Ownership interests in subsidiaries, partnerships, and joint ventures have been listed in Schedule A/B, Part 4, as undetermined amounts on account of the fact that the fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from their net book value.
- (c) **Schedule A/B, Part 7 – Office Furniture, Fixtures, and Equipment; and Collectibles.** Dollar amounts are presented net of accumulated depreciation and other adjustments. Furniture and fixtures are recorded as a single line item on the Debtors’ books and records, and, as a result, the Debtors have disclosed these items together in response to Question 39. The Debtors believe it would be unduly burdensome and costly for the Debtors to separate this line item into separate responses for Questions 39 and 40.
- (d) **Schedule A/B, Part 11 – All Other Assets.** Dollar amounts are presented net of impairments and other adjustments. The value of all assets listed on Schedule A/B are as of May 19, 2019.

Additionally, the Debtors may receive refunds for sales and use tax at various times throughout their fiscal year. As of the Petition Date, however, certain of these amounts are unknown to the Debtors and, accordingly, may not be listed on Schedule A/B.

***Other Contingent and Unliquidated Claims or Causes of Action of Every Nature, including Counterclaims of the Debtors and Rights to Setoff Claims.*** In the ordinary course of their businesses, the Debtors may have accrued, or may subsequently accrue, certain rights to counter-claims, cross-claims, setoffs, credits, rebates, or refunds with their customers and suppliers or potential warranty claims against their suppliers. Additionally, certain of the Debtors may be party to pending litigation in which such Debtor has asserted, or may assert, claims as a plaintiff or counter-claims and/or cross-claims as a defendant. Because such claims are unknown to the Debtors and not quantifiable as of the Petition Date, they are not listed on Schedule A/B, Part 11.

***Interests in Insurance Policies or Annuities.*** A list of the Debtors’ insurance policies and related information is available in the *Debtors’ Motion for Entry of an Order (I) Authorizing the Debtors to (A) Continue Insurance Coverage Entered Into Prepetition and Satisfy Prepetition Obligations Related Thereto, (B) Renew,*

*Supplement, Modify, or Purchase Insurance Coverage, and (C) Continue to Pay Brokerage Fees, and (II) Granting Related Relief* [Docket No. 15]. The Debtors believe that there is little or no cash value to the vast majority of such insurance policies. Such policies have all been included on Schedule A/B, Part 11, with values listed as “undetermined.”

***Executory Contracts and Unexpired Leases.*** Because of the large number of the Debtors’ executory contracts and unexpired leases, as well as the size and scope of such documents, the Debtors have not attached such agreements to Schedule A/B. Instead, the Debtors have only listed such agreements on Schedule G.

- (e) **Schedule D – Creditors Who Have Claims Secured by Property.** Except as otherwise agreed pursuant to a stipulation or order entered by the Court, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D. Moreover, although the Debtors have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor’s claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor’s claim, including the Debtors’ rights pursuant to paragraph 42 of the *Interim Order (A) Authorizing the Debtors to Obtain Postpetition Financing, (B) Authorizing the Debtors to Use Cash Collateral, (C) Granting Liens and Providing Superpriority Administrative Expense Status, (D) Granting Adequate Protection to the Prepetition Lenders, (E) Modifying the Automatic Stay, (F) Scheduling a Final Hearing, and (G) Granting Related Relief* [Docket No. 53].

The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable agreements and other related relevant documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. In certain instances, a Debtor may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities.

The Debtors have not included on Schedule D parties that may believe such claims are secured through setoff rights or inchoate statutory lien rights. Although there are multiple parties that hold a portion of the debt included in the secured facilities, only the administrative agents have been listed for purposes of Schedule D.

- (f) **Schedule E/F – Creditors Who Have Unsecured Claims.**

***Part 1 – Creditors with Priority Unsecured Claims.*** Pursuant to the *Interim Order (A) Authorizing the Payment of Certain Prepetition Taxes and Fees and (B) Granting Related Relief* [Docket No. 86] (the “Interim Taxes Order”), the Debtors have been granted the authority to pay, in their discretion, certain tax liabilities that accrued prepetition. Accordingly, any unsecured priority claims

based upon prepetition tax accruals that have been paid pursuant to the Interim Taxes Order are not listed in Schedule E.

Furthermore, pursuant to the *Interim Order (I) Authorizing the Debtors to (A) Pay Prepetition Employee Wages, Salaries, Other Compensation, and Reimbursable Employee Expenses, and (B) Continue Employee Benefits Programs and (II) Granting Related Relief* [Docket No. 48], the Debtors received interim authority to pay certain prepetition obligations, including to pay employee wages and other employee benefits, incurred in the ordinary course of business. The Debtors believe that certain non-insider employee claims for prepetition amounts related to ongoing payroll and benefits, whether allowable as a priority or nonpriority claim, have been satisfied, and such satisfied amounts are not listed. To the extent non-insider severance benefits have not been paid up to the statutory cap of \$13,650 set forth in sections 507(a)(4) and 507(a)(5) of the Bankruptcy Code as of the date hereof, the unpaid portion of such priority amount has been listed on Schedule E and marked as “contingent.” To the extent the Debtors later pay any of the priority amounts listed on Schedule E, the Debtors reserve all rights to amend or supplement the Schedules and Statements or to take other action, such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payments for such liabilities.

Moreover, in lieu of listing all of the Debtors’ possible taxing authorities for notice purposes in Schedule E/F, the Debtors have only listed those taxing authorities to which the Debtors believe they owe outstanding obligations.

Additionally, all unsecured priority claims listed in Schedule E, Part 1, are reflected at, and are deemed made against, Hollander Sleep Products, LLC.

The listing of a claim on Schedule E/F, Part 1, does not constitute an admission by the Debtors that such claim or any portion thereof is entitled to priority status.

Except as otherwise agreed pursuant to a stipulation or order entered by the Court, the Debtors reserve their rights to dispute or challenge the validity or immunity from avoidance of any claim purported to be granted to a creditor listed on Schedule E/F. Moreover, although the Debtors have scheduled claims of various creditors, the Debtors reserve all rights to dispute or challenge any such creditor’s claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor’s claim.

***Part 2 – Creditors with Nonpriority Unsecured Claims.*** The liabilities identified in Schedule E/F, Part 2, are derived from the Debtors’ books and records. The Debtors made a reasonable attempt to set forth their unsecured obligations, although the actual amount of claims against the Debtors may vary from those liabilities represented on Schedule E/F, Part 2. The listed liabilities may not reflect the correct amount of any unsecured creditor’s allowed claims or the correct amount of all unsecured claims.

To the extent the Debtors were unable to attribute a liability to a specific Debtor, the liability has been listed on Schedule E/F, Part 2, of Hollander Sleep Products, LLC.

Schedule E/F, Part 2, contains information regarding certain compensation-related claims of insiders of the Debtors, with such claims being listed as “contingent” and “unliquidated.” In scheduling such claims, the Debtors make no representation or assertion as to the validity of such claims, and the Debtors reserve all rights, claims, and defenses in connection therewith.

Schedule E/F, Part 2, contains information regarding threatened or pending litigation involving the Debtors. The amounts for these potential claims are listed as “undetermined” and are marked as contingent, unliquidated, and disputed in the Schedules and Statements.

Schedule E/F, Part 2, reflects certain prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. In addition, Schedule E/F, Part 2, does not include claims that may arise in connection with the rejection of any executory contracts and unexpired leases, if any, that may be or have been rejected.

In the ordinary course of business, the Debtors have retained certain customer prepayments and advances. Given the volume of such prepayments and advances and their confidential nature, the Debtors have not listed such prepayments and advances on Schedule E/F, Part 2. A more thorough description of the Debtors’ customer relationships is set forth in the *Debtors’ Motion for Entry of Interim and Final Orders (A) Authorizing the Debtors to Maintain and Administer Their Existing Customer Programs and Honor Certain Prepetition Obligations Related Thereto and (B) Granting Related Relief* [Docket No. 7].

In many cases, the claims listed on Schedule E/F, Part 2, arose, accrued, or were incurred on various dates or on a date or dates that are unknown to the Debtors or are subject to dispute. Where the determination of the date on which a claim arose, accrued, or was incurred would be unduly burdensome and costly to the Debtors’ estates, the Debtors have not listed a specific date or dates for such claim.

As of the time of filing of the Schedules and Statements, the Debtors have not received all invoices for payables, expenses, and other liabilities that may have accrued prior to the Petition Date. Accordingly, the information contained in Schedules D and E/F may be incomplete. The Debtors reserve their rights, but undertake no obligations, to amend Schedules D and E/F if, or when, the Debtors receive such invoices.

- (g) **Schedule G – Executory Contracts and Unexpired Leases.** Although reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. Additionally, in certain instances, executory

contracts and unexpired leases may be omitted due to their confidential nature but can be made available to the office of the United States Trustee for the Southern District of New York on a confidential basis. Additionally, relationships between the Debtors and their customers are often governed by a master services agreement, under which customers also place work and purchase orders, which may be considered executory contracts. The Debtors believe that disclosure of all of these purchase and work orders would be impracticable and unduly burdensome. Accordingly, to the extent the Debtors have determined to disclose non-confidential master services agreements in Schedule G, purchase and work orders placed thereunder may have been omitted.

Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease or that such contract or agreement was in effect on the Petition Date or is valid or enforceable. Expired contracts and leases may have also been inadvertently included. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. Certain of the leases and contracts listed on Schedule G may contain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as supplemental agreements and letter agreements, which documents may not be set forth in Schedule G. The Debtors reserve the right to dispute the effectiveness of any such contract listed on Schedule G or to amend Schedule G at any time to remove any contract.

The Debtors reserve all rights to dispute or challenge the characterization of any transaction or any document or instrument related to a creditor's claim.

In some cases, the same supplier or provider may appear multiple times in Schedule G. Multiple listings, if any, reflect distinct agreements between the applicable Debtor and such supplier or provider.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission. Certain Debtors are guarantors and parties to guaranty agreements regarding the Debtors' prepetition credit facility. The guaranty obligations arising under these agreements are reflected on Schedules D and F only.

- (h) **Schedule H – Co-Debtors.** For purposes of Schedule H, only the agent under the prepetition credit facility or counterparties that are subject to a guaranty are listed as co-Debtors on Schedule H. The Debtors have not listed any litigation-related

co-Debtors on Schedule H. Instead, all such listings can be found on Schedules E/F.

6. **Specific Statements Disclosures.**

- (a) **Statements, Part 1, Questions 1 and 2 – Income and Non-business Revenue.** Amounts listed for the current fiscal year are through May 19, 2019, rather than the Petition Date.
- (b) **Statements, Part 2, Questions 3 and 4 – Payments to Certain Creditors.** Prior to the Petition Date, the Debtors maintained an integrated cash management system through which the Debtors made certain payments on behalf of their other affiliated entities. Consequently, nearly all<sup>2</sup> payments to creditors and insiders listed in response to Questions 3 and 4 on each of the Statements reflect payments made by Hollander Sleep Products, LLC on behalf of the corresponding Debtor entity, pursuant to the Debtors' cash management system described in the Cash Management Motion. Moreover, due to the Debtors' historical reporting practices, the clearing dates for certain transactions may reflect the date the transaction was entered rather than the date the cash cleared the Debtors' account.

For the purposes of these Statements, the Debtors used May 19, 2019, as the Petition Date. Any cash transfers made by the Debtors on such date, but prior to the actual filing of these chapter 11 cases, are reflected herein as occurring prepetition.

Payments made to Carl Marks Advisors are reflected in the Debtors' responses to Question 11. Payments made by Carl Marks Advisors to Marc Pfefferle are not listed in response to Question 4.

- (c) **Statements, Part 2, Question 6 – Setoffs.** For a discussion of setoffs and nettings incurred by the Debtors, refer to paragraph 4(t) of these Global Notes.
- (d) **Statements, Part 6, Question 11 – Payments Related to Bankruptcy.** The attachment to Question 11 of Hollander Sleep Products, LLC's Statement reflects payments to professionals made from the Debtors' main concentration account, which is owned by Hollander Sleep Products, LLC on behalf of the six other Debtor entities on a consolidated basis. The Debtors believe that it would be an inefficient use of the assets of the estates to allocate these payments on a Debtor-by-Debtor basis.
- (e) **Statements, Part 13, Question 26 – Books, Records, and Financial Statements.** The Debtors provide certain parties, such as banks, auditors, potential investors, vendors, and financial advisors, with financial statements that may not be part of a public filing. The Debtors do not maintain complete lists or other records tracking

---

<sup>2</sup> As reflected in its Statements, Hollander Sleep Products, LLC makes payments on its own behalf, with the exception of payments listed on Statement 11.

such disclosures. Therefore, the Debtors have not provided full lists of these parties in their response to Statement Question 26, but have included parties who received audited financial statements.

- (f) **Statements, Part 13, Question 27 – Inventories.** The Debtors inventory product at their various distribution centers on a regular basis (including, in many scenarios, on a daily basis). In an effort to reduce the volume of disclosures that would be otherwise applicable, the Debtors have omitted such daily cycle counts conducted by the distribution centers.
- (g) **Statements, Part 13, Question 30 – Payments, Distributions, or Withdrawals Credited or Given to Insiders.** Distributions by the Debtors to their respective directors and officers are listed on the attachment to Questions 3 and 4. Certain directors and executive officers of the Debtors are also directors and executive officers of certain Debtor and non-Debtor affiliates. To the extent payments to such individuals are not listed in the response to Questions 3 and 4 on the Statements for such Debtor affiliates, they did not receive payment for their services as directors or executive officers of these entities. Certain of the Debtors' directors and executive officers received distributions net of tax withholdings in the year preceding the Petition Date. The amounts listed under Questions 3 and 4 reflect the gross amounts paid to such directors and executive officers, rather than the net amounts after deducting for tax withholdings.
